Some Probate Matters Are Settled.

Edwin M. Marshall Seeks to be Appointed Administrator of An Estate.

Several probate matters which have been hanging fire for some time were settled yesterday in the Circuit Court. Edwin M. Marshall, son-in-law of John Hopp, who died last November no will, asks the Circuit Court for letters of administration on

two lots at Pearl City worth \$700 and a half interest in the business of Hopp & Co., which firm consists of the petitioner, Marshall, and the dead The business is valued at \$10,-

The heirs are three daughters, Mrs. Bertha Engling, aged 50, living at Oakland, California; Mrs. Johannah Marshail, aged 40, and Miss Dora Hopp, aged 36. The heirs concur in the petition.

John Cassidy has been appointed guardian of Margaret A. Robertson, an insane person, in the Circuit Court. The petition in the case says that Margaret A. Robertson is a resident of Honolulu, but living now temporarily at Stockton, California. She left Honolulu on August 30, 1894. She has five children, Winnifred Netta Robrtson, 14 years; George Robertson, 11 years; James Robertson, 9 years; Malcolm Robertson, 7 years; Lucia Robertson, 5 years.

Mrs. Robertson is alleged to be beneficiary under life insurance policy in the Union Benefit Life Insurance Co., on the life of her husband, deceased, for \$5,000, and has besides a half interest in the Emmes homestead at Peleula. The petition was signed by Mrs. Eliza Cassidy, a sister of the insane woman, and Judge Siliman made the appointment.

The appeal of Angeline Deverill, daughter of Emma Deverill, deceased, against a decree of the Circuit Court admitting to probate the will of her mother, has been withdrawn. The will was dated May 25, 1890, and the de-September 3, 1899. The will left all the property valued at \$500 to Thomas Lindsay, and the Court gave it to him.

The will of Annie H. Holokahiki was admitted to probate in the Circuit Court. Willie H. Holokahiki was made executor under the will, and bonded in \$50. Edward Kekoa filed notice of appeal.

The petition of Maria de Silva Pa-vao, a widow, living in Honolulu, to be appointed administratrix of the estate of Manuel de Silva Pavao, who died intestate on March 29 last, will heard on May 7. The petition was filed yesterday in the Circuit Court. The estate consists of a life insurance policy in the Germania Life Insurance Co., for \$1000, and there are six children, aged from one month to 15 years who must be supported.

An inventory of the estate of the late Rev. S. Kauaua is filed in the Circuit Court by William R. Castle, executor of the will of the deceased. It shows the estate to be valued at \$2,200 and to consist of two lots in Pahoa. Kohala, Hawaii.

WORK FOR SAILORS.

New York Interest in the Local Seaman's Club.

C. E. Smith, manager of the Honciulu Seaman's Club, has received the following letter, which explains itself. It comes from the chaplain of the Protestant Episcopal Church Missionary Society for Seamen in the City and Port of New York: New York, March 16th, 1900.

Mr. C. E. Smith, Seaman's Club, Hono-

Julu, H. I.

Dear Sir: 1 received from you nearly a year ago a note containing the information, that here had been founded in Honolulu a Seaman's Club and asking us to send some packages of reading matter. I am now in a position and should be very glad to do so. I write to ask for directions how these packages shall be sent, the quickest and cheapest way. I am particularly interested in Honolulu for one reason; we have here a sailors' club composed of nearly 500 members, the name of Consisting of the five days from March which is the "Hope Club." We were told two or three years ago, that a few 13th to 17th, inclusive, can now be had of our members got together in Honolulu and established a kind of branch of the "Hope Club," but we have never been able to ascertain whether such a branch was organized or not, and if so whether it was still in existence. Can you give me any light on the mat-I send you our last annual report, so that you may know who we are and what kind of work we are doing in the port of New York. Will you please in return do the same and write me all the information of interest in regard to the port of Honolulu, for instance, if any, how many sallors' boarding houses there are, whether yours is everything that is being done for the sailor. I simply write this short note to put myself in communication with you and when I have received your reply will send you reports and statistics which I am very sure will be of interest. America is at present decidedly awake concerning the condition of her seamen and is putting forth every effort to protect them and change their environment. With best wishes for your success in

the work, believe me to be, very cordially yours.
